WEBSITE GROWTH AUDIT

Ishraq Clinic

ishraqclinic.ae | Umm Suqeim, Dubai | Prepared for the Ishraq Clinic team

You offer laser and aesthetic treatments in Umm Suqeim with a clear WhatsApp path, but conflicting hours and dead buttons cost you bookings.

What I found on your website

What I saw	What it costs you	The fix
The Treatments and Appointments buttons link to #services but no services section appears. The menu parent and partner logos also link to #.	Buttons that go nowhere lose patients ready to book.	**Working treatment pages and booking buttons.**
Hours are 10 AM to 10 PM, 7 days in one place and 10 am to 8 pm in the footer. The address is Jumeirah Beach Road in one place and 571 Jumeirah St in another.	Patients arrive when you are closed, or doubt the details.	**One set of hours and one address.**
Loading... and To view this video please enable JavaScript show on the page, the logo text says Lucia Clinic Logo, and the Laser card says Strength begins with a radiant, healthy body.	Leftover text and mismatched copy look unfinished.	**Clean content written for each treatment.**
The booking form appears to lack name and phone fields. No email, no before and after, the dermatologists are unnamed, and Dubai's top clinic has no support.	Patients choose a clinic by proof and who treats them.	**Complete form, named team and results gallery.**

What your new website will do for Ishraq Clinic

- A working booking form and WhatsApp button on every page.
- Named doctors, one set of hours and captioned before and after results.

How it works

1	**15 minute call** I show you a preview of your new design. No cost.
2	**Approve the look** You pick changes. I build in days, not months.
3	**Launch and track** Booking, WhatsApp and forms tested on mobile before go live.
