WEBSITE GROWTH AUDIT

YOUR Dental and Medical Center

ydmc.ae | Abu Dhabi, UAE | Prepared for the YDMC team

A two location Abu Dhabi clinic appears to lose patients to wrong links, mixed branding and no opening hours.

What I found on your website

What I saw	What it costs you	The fix
The Google Reviews link appears to open a search for a different business name, and the footer WhatsApp message appears to name another clinic.	Patients may land on the wrong business and doubt who you are.	**Links and messages that use your own clinic name.**
The Book Now link appears to be a popup anchor, the hero and About sections appear twice, and no opening hours appear.	Patients cannot easily book or confirm when you are open.	**One clear booking button and visible hours.**
Typos such as Costmetic Dentistry, Hyfra Facial and qaFounded in 2016 appear, and the clinic name appears in five different forms.	Typos and mixed names weaken trust in a medical brand.	**Proofread copy and one brand name.**
Five doctors appear to share one placeholder image, a reviewed doctor appears not to be listed, and the General Dentistry card appears to describe cosmetic dentistry.	Patients choose a dentist they can see, and mismatched cards confuse them.	**Real doctor photos and correct service cards.**

What your new website will do for YOUR Dental and Medical Center

- Own brand links.
- One booking button and hours.
- Doctor profiles and clean copy.
