WEBSITE GROWTH AUDIT

Binayah Real Estate

binayah.com | Dubai | Prepared for the team

Two decades of experience and a large listing base are strengths, but a form with no contact fields and conflicting claims appear to cost you buyers.

What I found on your website

What I saw	What it costs you	The fix
The inquiry form appears to list only Inquiry Type and Property details before Send Inquiry, with no visible name, email or phone fields.	A buyer cannot leave contact details.	**A complete enquiry form with WhatsApp.**
The form appears to say 'Available 24/7' while the footer says Mon to Sat 9am to 7pm GST, and a banner promotes Binayah.ae while the site runs on binayah.com.	Conflicting hours and domains confuse clients.	**One set of hours and one domain message.**
Hero tags Palm Jumeirah and Downtown Dubai appear to link to #, a townhouse link appears to point to the penthouses page, and prices appear as 'Starting From 11,232,888' with no currency.	Dead links and unclear prices lose serious buyers.	**Working search tags and clear AED prices.**
Award badges, news cards and the Latest Dubai Projects block appear twice, and the page cites 'Based on 152 reviews' but shows only a few.	Repeated blocks and thin proof look careless.	**Clean layout and visible reviews.**
