WEBSITE GROWTH AUDIT

Gottlieb Family Law

gottlieblawfirm.com | Bloor Street East, Toronto | Prepared for the Gottlieb team

A long track record and a 24 hour reply promise are strengths, but a contact page with no form and links to the wrong place appear to cost you enquiries.

What I found on your website

What I saw	What it costs you	The fix
The page says to fill out the form below, but no form appears, and the email, How to find us and Contact links all point to a map page.	A person who wants to reach a family lawyer cannot easily do it.	**A working enquiry form and correct email and map links.**
The address shows two postal codes, M4W 1H7 and M4W 3L4, and the firm appears as Gottlieb Family Law Professional Corporation, Gottlieb Law Firm and Gottlieb Family Law.	Mixed details confuse clients and hurt local search.	**One address and one firm name.**
A menu item reads Mary Elizabeth Lam but links to a page named mira-pilch, and the FAQ shows empty bullet points and a stray Main Page label.	Wrong links and leftover text make a law firm look careless.	**Correct team links and a clean FAQ.**
The page claims 60 years of experience, but the Our Reviews and Cases sections show no content, and the cost FAQ gives no fee information.	Clients choose on proof and clear fees, and see neither.	**Visible reviews, case summaries and fee guidance.**

What your new website will do for Gottlieb Family Law

- A working enquiry form and correct email and map links.
- One address, one firm name and correct team links.
- Visible reviews, case summaries and clear fee guidance.

How it works

1. **15 minute call**
   I show you a preview of your new design. No cost.
2. **Approve the look**
   You pick changes. I build in days, not months.
3. **Launch and track**
   Booking, WhatsApp and forms tested on mobile before go live.
